Dear (Name),

On Saturday, July 29th, I'll be riding my bike (miles) to fundraise for the 13th Annual CT Challenge Bike Event. I'm hoping you will be as moved to support my efforts as I am to ride. You can make your donation online by clicking on my personal donation page (inset personal page link).

The programs funded by the CT Challenge Ride were renamed Mission this year to position them as the flagship for survivors everywhere. Their commitment to use these programs to equip all who battle cancer with the exercise, nutrition and mind-body knowledge, tools and community needed to *live. life. vibrantly.* remains unchanged.

Every dollar I raise goes to Mission, a unique nonprofit organization dedicated to helping the 14.5 million cancer survivors in Connecticut and throughout the U.S. take back their lives from the many chronic and life threatening after effects of treatment, including recurrence and secondary cancers.

Through the exercise, nutrition and community-building support programs Mission provides, survivors rebuild, improve and prolong their lives. It's their path forward.

Mission is a game changer and I'm proud to work on behalf of the thousands of cancer survivors who will benefit from these programs. Please join me. Any contribution would be great! Thank you.
