

ct challenge

Dear (Name),

Please join (child's name) and me in supporting Mission and its breakthrough programs that help cancer survivors get their lives back from the harsh treatments needed to fight the disease and the side effects the treatments cause.

You can support us by making a secure online donation using your credit card here: (Insert rider or team page link)

We are fundraising and riding together three to four times a week to get in shape for the 25-mile ride in the 13th Annual CT Challenge bike event this July 29th. It's a big test for an (age)-year-old (girl/boy) but a good lesson because of how it mirrors the hard work that all who battle cancer face.

We are riding in memory of (name), and in honor of all survivors, especially our friend (name).

The programs funded by the CT Challenge Ride were renamed Mission this year to position them as the flagship for survivors everywhere. Their commitment to use these programs to equip all who battle cancer with the exercise, nutrition and mind-body knowledge, tools and community needed to *live. life. vibrantly.* remains unchanged.

Everything we raise from our ride will go directly to Mission to fund raise-the-bar exercise, nutrition and community-building support programs for survivors of all ages. No one else is doing this and it's filling a huge hole, not just for our friend name but for the 14.5 million cancer survivors currently living in the U.S.

Thank you for any contribution you can make to our fundraising at (insert link.)

(Your name)
